CHAPTER 6 TRAFFIC

[Chapter 6 entirely repealed and replaced by Ordinance No. 81-20, enacted December 21, 1981.]

GENERAL TRAFFIC CONTROL

6.000 Short Title. Sections 6.005 to 6.320 may be cited as "Astoria Traffic Code."

6.005 Applicability of State Traffic Laws. The provisions of the Oregon Vehicle Code, ORS Chapters 801 through 826, are hereby adopted, and a violation of a provision of those chapters is an offense against the city. *[Section 6.005 amended by Ordinance 86-05, passed March 3, 1986; Ordinance 86-26, passed December 15, 1986; Ordinance No. 87-06, passed May 4, 1987; and Ordinance No. 98-17, passed December 7, 1998.]*

6.010 Definitions.

- (1) In addition to those definitions contained in the Oregon Vehicle Code, the following mean:

Bus stop. A space on the edge of a roadway designated by sign for use by buses loading or unloading passengers.

Holiday. New Year's Day, Independence Day, Labor Day, Thanksgiving Day, Christmas Day, and any other day proclaimed by the council to be a holiday.

Loading zone. A space on the edge of a roadway designated by sign for the purpose of loading or unloading passengers or materials during specified hours of specified days.

Motor vehicle. Every vehicle that is self-propelled, including tractors, fork-lift trucks, motorcycles, road-building equipment, street cleaning equipment, and any other vehicle capable of moving under its own power, notwithstanding that the vehicle may be exempt from licensing under the motor vehicle laws of Oregon.

No parking zone. A space on the edge of a roadway designated by yellow paint or signed "No Parking."

Parkway. That portion of a street not used as a roadway or as a sidewalk.

Street. Highway, road, street or alley, as defined in ORS 801.110 and 801.305. *[Definition amended by Ordinance No. 06-02, passed March 6, 2006.]*

Taxicab stand. A space on the edge of a roadway designated by sign for use by taxicabs.

Traffic lane. That area of the roadway used for the movement of a single line of traffic.

Vehicle. As used in subsequent sections of this code, includes bicycles. *[Subsection (1) amended by Ordinance No. 92-01, Section I, passed January 21, 1992.]*

- (2) As used in this code, the singular includes the plural, and the masculine includes the feminine.

Administration

6.025 Powers of the Council.

- (1) Subject to state laws, the city council shall exercise all municipal traffic authority for the city except those powers specifically and expressly delegated in this code or any other section of the Astoria Code.
- (2) The powers of the council shall include, but not be limited to, designation of:
 - (a) Parking meter zones, denomination of coins for deposit in parking meters, the parking time permitted for the deposit of the coin, and the hours during which the deposit of coin is required.
 - (b) Through streets.
 - (c) One-way streets.
 - (d) Truck routes.

- (e) Streets where trucks, machinery, or any other large or heavy vehicles exceeding specified weights are prohibited, except for delivering or picking up materials or merchandise, but then only by entering such streets at the intersection nearest the destination of the vehicle and leaving by the shortest route.
- (3) Except when contrary to state law, if it appears that public safety or welfare does not require the installation or maintenance of a traffic sign, signal, marking or device, or is better served by its removal or alteration, the city council by resolution may forbid the installation or order the removal or alteration of any traffic sign, signal, marking or device that is proposed or installed under this code. Such traffic controls shall become inoperative only when removed or altered.

6.030 Duties of the City Manager.

- (1) In making the best use of streets and sidewalks for vehicle traffic, parking, pedestrian traffic, and community activities, the city manager is authorized to provide appropriate and reasonable regulation of the classes of traffic signs, signals, markings and devices described in subsection (2) for the streets, sidewalks and other public property of the city, including authorizing temporary street closures, as are found appropriate for public safety, convenience and welfare. The city manager shall base his determinations on:
 - (a) Traffic engineering principles and traffic investigations;
 - (b) Standards, limitations and rules promulgated by the State Department of Transportation; and
 - (c) Community activity needs in furtherance of city goals and policies, including economic development.
- (2) Pursuant to subsection (1), the city manager may establish, maintain, remove or alter the following classes of traffic controls:
 - (a) Street areas and city-owned or leased land upon which parking may be entirely prohibited, prohibited during certain hours, or otherwise regulated, and the angle of such parking.
 - (b) Parking meters within the zone provided for parking meters.
 - (c) The location and the time of operation of traffic control signals.

- (d) Bus stands, taxicab stands, and stands for other passenger common carrier vehicles.
 - (e) The location of passenger loading zones for use in connection with a hotel, auditorium, theater, church, school or public building.
 - (f) Loading zones for commercial purposes.
 - (g) Intersections or areas where drivers of vehicles shall not make right, left or U-turns and the time when the prohibition applies.
 - (h) Play streets, or such hours when certain streets may be used as such, on which no person shall drive a vehicle upon such street or portion thereof, except drivers of vehicles having business or whose residences are within such closed area; and then such driver shall exercise the greatest care in driving upon such street.
 - (i) Temporary street closures for community activities.
 - (j) Crosswalks, safety zones, traffic lanes and other symbols.
 - (k) Traffic control signs.
 - (l) All other signs, signals, marking and devices required to implement traffic and parking controls enacted by the council or required by state law or regulation.
- (3) Pursuant to subsection (1), the city manager may provide for experimental or emergency traffic regulation of a temporary nature that shall not remain in effect more than 30 days. No experimental or emergency regulation is effective until adequate traffic signs, signals, markings or devices are erected, clearly indicating the regulation.
- (4) The city manager shall maintain a current record of all action taken by the city council and by the city manager under this section.
- (5) The city manager shall not remove or alter a traffic sign, signal, marking or device if his act would be contrary to state law or this code. If a traffic sign, signal, marking or device is installed under authority of a resolution of the city council, the city council shall first approve any change or alteration by the city manager.
- (6) The city manager shall cause the removal or trimming of all trees, shrubs, articles and other objects in or upon the space between the property line

and the abutting street, including parking strips, where the object endangers the public. A parking strip is that space between the sidewalk and the curb or curblines of all dedicated streets.

- (7) If the city manager determines that an object is a danger to the public, he shall notify the abutting property owner to remove the object within 10 days after notice is given. If the abutting property owner fails to remove the hazard, the city manager shall cause the tree, shrub, article or other object to be removed. *[Section 6.030 amended by Ordinance No. 06-06, passed September 5, 2006.]*

6.035 Authority of Police and Fire Officers.

- (1) It is the duty of the police department through its officers to enforce the provisions of this code relating to traffic control.
- (2) In the event of a fire or other emergency, or to expedite traffic or to safeguard pedestrians, officers of the police department may direct traffic as conditions require, notwithstanding the provisions of this code.
- (3) When at the scene of a fire, members of the fire department may direct or assist the police in directing traffic.

Parking Regulations

6.050 Method of Parking.

- (1) Where parking space markings are placed on a street, city owned parking lot or city owned parking area, no person may stand or park a vehicle other than in the indicated direction and, unless the size or shape of the vehicle makes compliance impossible, within a single marked space. *[Section 6.050 amended by Ordinance No. 09-05, passed October 5, 2009.]*
- (2) The operator who first begins maneuvering a motor vehicle into a vacant parking space on a street has priority to park in that space, and no other vehicle operator shall attempt to interfere.
- (3) When the operator of a vehicle discovers that the vehicle is parked close to a building to which the fire department has been summoned, the operator shall immediately remove the vehicle from the area unless otherwise directed by police or fire officers.

6.055 Double Parking.

- (1) Double parking for certain vehicles may be permitted in the area designated in this section and under the following conditions:
 - (a) A space is unavailable;
 - (b) The vehicle is on a street bounded by the Columbia River on the north, 8th Street on the west, Franklin Street on the south, and 15th Street on the east;
 - (c) The vehicle is double parked no later than 11 a.m.; and
 - (d) The vehicle is a truck or other vehicle used for commercial purposes.
- (2) A police officer may require a vehicle so parked to move at any time for the purpose of emergency traffic control and regulation.
- (3) Parking for other than routine normal pickup or delivery is permitted for a specific period of time only by special authorization of the police department.

6.060 Prohibited Parking or Standing. No person may park or stand:

- (1) A vehicle in violation of state motor vehicle laws or in violation of a lawfully erected parking limitation sign except:
 - (a) A vehicle may park in an inactive driveway, in the Downtown Parking Area, as defined in Section 6.355(6), if the property owner has on file with the city of Astoria Finance Department written authorization permitting such use.
- (2) A vehicle in an alley other than for the expeditious loading or unloading of persons or materials, and in no case for a period in excess of 30 consecutive minutes.
- (3) A vehicle on any parkway except where specifically authorized.
- (4) A vehicle in any No Parking Zone, including areas where the adjacent curbing has been painted yellow. *[Section 6.060 amended by Ordinance No. 92-01, Section II, passed January 21, 1992.]*

6.065 Prohibited Parking. No operator may park and no owner may allow a vehicle to be parked on the street or other public property for the principal purpose of:

- (1) Displaying the vehicle for sale;
- (2) Repairing or servicing the vehicle, except repairs necessitated by an emergency;
- (3) Displaying advertising or selling merchandise from the vehicle, except when authorized. *[Section 6.065 amended by Ordinance No. 86-16, passed October 20, 1986.]*

6.070 Storage of Motor Vehicles on Streets. No person may store or permit to be stored on a street or other public property, without permission of the council, a motor vehicle or personal property for a period in excess of 24 hours. Failure to move a motor vehicle or other personal property for a period of 24 hours shall constitute prima facie evidence of storage of a motor vehicle.

6.075 Use of Loading Zones.

- (1) No person may stop, stand or park a vehicle for any purpose or length of time other than for the expeditious unloading and delivery or pickup and loading of persons or property in any place designated as a loading zone during the hours when the provisions applicable to loading zones are in effect. The use of the loading zone shall not exceed 15 minutes.
- (2) No person may stop, stand or park a vehicle for any purpose or length of time other than for the expeditious loading or unloading of passengers in any place designated as a passenger loading zone during the hours when the provisions applicable to passenger loading zones are in effect. The use of the zone shall not exceed five minutes. *[Section 6.075 amended by Ordinance No. 86-20, passed November 17, 1986.]*

6.080 Stopping, Standing or Parking of Buses and Taxicabs. The driver of a bus or taxicab may not stand or park the vehicle on any street in a business district at a place other than a bus stand or taxicab stand, respectively; except that this provision shall not prevent the driver of a taxicab from temporarily stopping for the purpose of and while actually engaged in loading or unloading passengers.

6.085 Restricted Use of Bus and Taxicab Stands.

- (1) Except as provided in subsection (3), no person may stop, stand or park a vehicle other than a bus in a bus stand or other than a taxicab in a taxicab stands except that the driver of a vehicle may temporarily stop therein for the purpose of and while actually engaged in loading or unloading persons or property, in places that are also designated as loading zones during the times the loading zones are in effect. If no loading zone times are posted,

the stop must not interfere with a bus or taxicab about to enter or using the zone.

- (2) Except as provided in subsection (3), use of the bus zones shall not exceed 15 minutes.
- (3) A driver of a vehicle may stop, stand or park in a bus stand between the hours of 8:00 PM and 6:00 AM when the buses are not scheduled to run and are not using the bus stands.
- (4) The city manager, by written rules and regulations, may allow other uses of bus stands at times when they are not required for bus use. *[Section 6.085 amended by Ordinance No. 86-21, passed November 17, 1986.]*

6.090 **Lights on Parked Vehicles.** No lights need be displayed on a vehicle parked in accordance with this code that is on a street where there is sufficient light to reveal a person or object on the street within a distance of 500 feet.

6.095 **Exemption.** The provisions of this code regulating parking or standing of vehicles shall not apply to any vehicle of a city department or public utility while necessarily in use for construction or repair work on the street or any vehicle owned by the United States while in use for the collection, transportation or delivery of United States mail.

6.100 **Vision Clearance Area.**

- (1) Definitions.

As used in this ordinance or in the interpretation of this ordinance, the following terms will have the meanings indicated:

Central Business District: An area bounded to the west by 7th Street, on the east by 16th Street, on the north by the Columbia River and on the south by properties abutting Exchange Street.

Non-Residential Zones: All zones other than the R-1 Zone (Low Density Residential), R-2 Zone (Medium Density Residential), and R-3 Zone (High Density Residential).

- (2) Clearance Area.

The vision clearance area shall not contain any plantings, walls, structures or temporary or permanent obstructions to vision between thirty (30) inches and eight (8) feet in height above the street (Figure 1) except as follows:

- a. Supporting pillar, post, or trunk not greater than twelve (12) inches in diameter or twelve (12) inches on the diagonal of a rectangular pillar or post.
- b. Posts or supporting members of street signs, street lights, and traffic control signs installed as directed by the Department of Public Works or any other sign erected for public safety.
- c. Sign portion of traffic control signs installed by the Department of Public Works or Oregon Department of Transportation in compliance with the Manual on Uniform Traffic Control Devices.

Figure 1: Vision Clearance Area Height

Vision clearance shall not be required at a height of eight (8) feet or more above the street or on hills above opposing drivers' eye level.

The City Engineer may adjust vision clearance area requirements as needed for safety, depending on intersection angle, topography, or other conditions, including the clustering of poles in an area.

(3) Streets and railroads.

A vision clearance area shall consist of a triangular area, two sides of which are 25-foot lengths along the outside curb edges of streets, or the paved area of a street without a curb, and/or edges of gravel beds of railroads and the third side of which is a line across the corner of the lot connecting the ends of the other two sides (Figure 2).

Figure 2: Vision Clearance Area for Streets and Railroads

(4) Alleys and residential driveways.

A vision clearance area shall consist of a triangular area, two sides of which are 10-foot lengths along the property line and edge of the driveway or alley and the third side of which is a line across the corner of the lot connecting the ends of the other two sides (Figure 3).

Figure 3: Vision Clearance Area for Alleys and Residential Driveways

(5) Non-residential driveways.

A vision clearance area shall consist of a triangular area, two sides of which are 20-foot and 10-foot lengths along the property line and edge of the driveway, respectively, and the third side of which is a line across the corner of the lot connecting the ends of the other two sides (Figure 4).

Figure 4: Vision Clearance Area for Non-Residential Driveways

(6) Intersection Parking.

In the Central Business District and Non-Residential Zones, no vehicle over five (5) feet in height, with shaded windows, blocked windows, or no windows shall park or stand in a marked parking space within twenty-(20) feet of the intersection, unless the intersection is controlled by a traffic signal or the parking stall is located on the departing leg of a one-way street.

(7) The above sections shall not be construed as a waiving or altering of any yard requirements or setback requirements that may be required by this or any other ordinance. *[Section 6.100 amended by Ordinance No. 14-04, passed April 21, 2014.]*

Parking Meters

- 6.105** Deposit of Coins. Except as otherwise permitted by this code, no person may park a vehicle in a metered parking space without immediately depositing in the parking meter adjacent to the space such lawful coin or coins of the United States required by the meter, as designated by directions on the meter, and when required by the directions on the meter, unless the parking meter indicates at the time the vehicle is parked that an unexpired portion remains of the period for which a coin or coins had been deposited previously.
- 6.110** Legal Time Limit. No person, except as otherwise permitted by this code, may permit a vehicle parked by him to remain parked in a metered parking space during a time when the parking meter adjacent to the space indicates that no portion remains of the period for which the last previous coin or coins had been deposited, or beyond the time limit for parking in the space. Continued parking beyond the single time limit for any metered parking space is a separate offense for each period or portion of a single time limit for the metered parking space during which the vehicle remains so parked.
- 6.115** Extension of Parking Time. No person may deposit or cause to be deposited in a parking meter a coin or coins for the purpose of extending the parking time beyond the time limit for parking in a metered parking space.
- 6.120** Mechanical Defect. An unintentional violation of sections 6.105 to 6.115 of this code by reason a mechanical failure of a parking meter is not an offense.
- 6.125** Collections. It is the duty of the finance director to direct the collection of all coins deposited in parking meters. *[Section 6.125 amended by Ordinance No. 90-36, section 2, passed October 1, 1990.]*
- 6.130** Parking Meter Hoods and "No Parking" Blocks. The finance director may issue parking meter hoods and "No Parking" BLOCKS in accordance with rules and regulations adopted by the city council by resolution. *[Section 6.130 amended by Ordinance No. 90-36, section 3, passed October 1, 1990; and Ordinance No. 96-02, passed February 20, 1996.]*
- 6.135** Special Police Officers.
- (1) Persons appointed by the City Manager shall be special police officers of the City and shall serve under the direction and control of the City Manager or designee. Special police officers may be employees of the City or may be volunteers. The following categories of special police officers are established:

- (a) Parking control officers. Parking control officers shall have authority to issue citations for violations of parking and nonmoving traffic violations, as defined in Chapter 6 of the Astoria Code, or pertinent sections of the Oregon Revised Statutes, incorporated by reference into the City code, and to this extent they shall exercise full police authority.
 - (b) Adjunct police officers. Adjunct police officers may be appointed to enforce City ordinances related to abandoned vehicles, parking and nonmoving vehicle violations, handicapped parking, nuisance violations, bicycle and skateboard violations and animal control violations.
 - (c) Watershed protection officers. Watershed protection officers may be appointed in accordance with Oregon Revised Statutes 448.315 to enforce Oregon Revised Statutes 448.315 and any ordinances the City may adopt under the authority of ORS 448.295-.325.
- (2) The City Council may by resolution provide that other ordinances be enforced by parking control officers or adjunct police officers.
 - (3) Special police officers shall have listed on their document of appointment those ordinances, by reference to general categories, which they are empowered to enforce and shall thereafter have the power to issue citations for violations of those ordinances and in all respects exercise full police power and authority in relation thereto. The document of appointment shall be on file in the Human Resources Department special police officer personnel file. An appointment may be amended by the City Manager as to the ordinances the officer may enforce.
 - (4) Special police officers appointed under this section shall be issued an identification card by the City Manager or designee and such other indicia of office as may be deemed appropriate by the City Manager. *[Section 6.135 amended by Ordinance No. 86-14, passed July 7, 1986; and Ordinance No. 94-16, passed October 17, 1994.]*

Pedestrians

- 6.150** Crossing at Right Angles. No pedestrian may cross a street at a place other than by a route at right angles to the curb or by the shortest route to the opposite curb except in a marked crosswalk.
- 6.155** Pedestrians Must Use Crosswalks. In blocks where marked crosswalks are established, no pedestrian may cross the street other than within a marked crosswalk.

Parades and Processions

6.170 Prohibited Activity. No person may organize or participate in a parade which may disrupt or interfere with traffic without obtaining a permit.

6.175 Parade Permits.

- (1) Application for parade permits shall be made to the police chief at least 10 days prior to the intended date of the parade, unless the time is waived by him.
- (2) Applications shall include the following information:
 - (a) The name and address of the person responsible for the proposed parade.
 - (b) The date of the proposed parade.
 - (c) The desired route, including assembling points.
 - (d) The number of persons, vehicles and animals which will be participating in the parade.
 - (e) The proposed starting and ending time.
- (3) The application shall be signed by the person designated as chairman.
- (4) If the police chief, upon receipt of the application, determines that the parade can be conducted without endangering public safety and without seriously inconveniencing the general public, he shall approve the route and issue the permit.
- (5) If the police chief determines that the parade cannot be conducted without endangering public safety or seriously inconveniencing the general public, he may:
 - (a) Propose an alternate route.
 - (b) Propose an alternate date.
 - (c) Refuse to issue a parade permit.
- (6) The police chief shall notify the applicant of his decision within five days of receipt of the application.

- (7) If the police chief proposes alternatives or refuses to issue a permit, the applicant shall have the right to appeal his decision to the city council.

6.180 **Appeal to Council.** An applicant may appeal the decision of the police chief, following the procedure provided by section 1.070 of this code.

6.185 **Offenses Against Parade.**

- (1) No person may unreasonably interfere with a parade or parade participant.
- (2) No person may operate a vehicle that is not part of a parade between the vehicles or persons comprising a parade.

6.190 **Permit Revocation.** The council may revoke a parade permit if circumstances clearly show that the parade can no longer be conducted consistent with public safety.

6.195 **Funeral Processions.**

- (1) No permit shall be required for a funeral procession.
- (2) A funeral procession shall proceed to the place of interment by the most direct route which is both legal and practicable.
- (3) The procession shall be accompanied by adequate escort vehicles for traffic control purposes.
- (4) All motor vehicles in the procession shall be operated with their lights turned on.

General Regulations

6.205 **Boarding or Alighting From Vehicles.** No person may board or alight from a vehicle while the vehicle is in motion.

6.210 **Unlawful Riding.** No person may ride on a vehicle on a portion not designed or intended for the use of passengers. This provision shall not apply to an employee engaged in the necessary discharge of a duty, or to a person or persons riding within a truck body in space intended for merchandise.

6.215 **Roller skates, Skateboards, Coasters and Similar Devices.**

- (1) No person may ride on, in or by means of roller skates, a skateboard, coaster, toy vehicle or similar device, on a sidewalk in the central business

district; and no person may ride such a device on a street anywhere in the city, except to cross at a crosswalk.

- (2) Definition. As used in this ordinance or in the interpretation of this ordinance, the following term shall have the meaning indicated. Central Business District: An area bounded to the west by 7th Street, on the east by 16th Street, on the north by Columbia River and on the south by Exchange Street. *[Section 6.215 amended by Ordinance No. 87-12, passed June 15, 1987.]*

6.220 Oversize Vehicles; Permits. When a written application is made, the city manager, in accordance with applicable provisions of the state motor vehicle laws, may grant permits for the use of the streets by vehicles, combinations of vehicles or other property which are prohibited by state law from using the streets because of excessive weight, length or width. He may include in the permit such conditions, regulations and restrictions as the public interest may require, and which shall be sufficient to prevent injury or damage to streets, sidewalks and all other improvements or private property and to protect the public. The permit may be canceled at any time by the city manager upon satisfactory proof that the permittee has violated any of the terms of the permit, or when in the judgment of the city manager the public interest requires cancellation.

6.225 Damaging Sidewalks and Curbs.

- (1) The driver of a vehicle may not drive on or within a sidewalk or parkway area except to cross at a permanent driveway.
- (2) A person who damages or causes to be damaged a public improvement within the street by driving a vehicle on or within a sidewalk or parkway area shall be liable for the damage.

6.230 Removing Glass and Debris. A party to a vehicle accident or a person causing broken glass or other debris to be upon a street shall remove the glass or other debris from the street.

6.235 Compression Brake (Jake Brake) Use - Nuisance

- (1) The use of compression or jake brakes within the corporate limits of the City disturbs the peace and quiet and disturbs the residents of the City in their rest and in the enjoyment of their property, and, by reason thereof, the City Council finds that the use of such brakes is a public nuisance.

- (2) The use of compression (jake) brakes within the corporate limits of the City is prohibited, except in the case of an emergency when use of said compression brakes is necessary to safely stop the subject motor vehicle.
- (3) Any person or persons who violate the provisions of this Section is subject to a fine not to exceed two hundred fifty dollars (\$250.00). *[Section 6.235 added by Ordinance No. 95-08, passed May 15, 1995.]*

6.250 **Applicability of State Law to Bicycles.** Every person riding or operating a bicycle on any street or other public place is subject to all the provisions of this code and state law pertaining to bicycles.

6.255 **Rental Agencies.** A rental agency may not rent or offer any bicycle for rent unless the bicycle is equipped with all equipment required by the state motor vehicle laws and this code.

6.260 **Riding on Sidewalks.** No person may ride a bicycle on a sidewalk in a business district. A person riding a bicycle on a sidewalk shall yield the right-of-way to a pedestrian and shall give an audible signal before overtaking and passing a pedestrian.

6.265 **Parking.** No person may park a bicycle on a street or a sidewalk except in a rack to support it or against a building or at the curb in a manner that affords the least obstruction to pedestrian traffic.

6.270 **Impoundment of Bicycles.**

- (1) No person may leave a bicycle on public or private property without the consent of the person in charge or the owner thereof.
- (2) A bicycle left on public property for a period in excess of 24 hours may be impounded by the police department.
- (3) In addition to any citation issued, a bicycle parked in violation of this code may be immediately impounded by the police department.
- (4) If a bicycle impounded under this code is licensed, or other means of determining its ownership exist, the police shall make reasonable efforts to notify the owner. No impounding fee shall be charged to the owner of a stolen bicycle which has been impounded.
- (5) A bicycle impounded under this code which remains unclaimed shall be disposed of in accordance with the city's procedures for disposal of abandoned or lost personal property.

- (6) Except as provided in subsection (4), a fee of \$5.00 shall be charged to the owner of a bicycle impounded under this section.

Impoundment

6.280 Impoundment of Vehicles.

- (1) When a vehicle is placed in a manner or location that constitutes an obstruction to traffic or a hazard to public safety, a police officer shall order the owner or operator of the vehicle to remove it. If the vehicle is unattended, the officer may cause the vehicle to be towed and stored at the owner's expense. The owner shall be liable for the costs of towing and storing, notwithstanding that the vehicle was parked by another or that the vehicle was initially parked in a safe manner but subsequently became an obstruction or hazard.
- (2) The disposition of a vehicle towed and stored under authority of this section shall be in accordance with the provisions of the city relating to impoundment and disposition of vehicles abandoned on the city streets.
- (3) The impoundment of a vehicle will not preclude the issuance of a citation for violation of a provision of this code.
- (4) Stolen vehicles may be towed from public or private property and stored at the expense of the vehicle owner.

Traffic Citations and Owner Responsibility

6.300 Cancellation of Traffic Citations. No person may cancel or solicit the cancellation of any traffic citation in any manner except when approved by the municipal judge.

6.305 Citation on Illegally Parked Vehicle. Whenever a vehicle without an operator is found parked in violation of a restriction imposed by this code or state law, the officer finding the vehicle shall take its license number, and any other information displayed on the vehicle which may identify its owner, and shall conspicuously affix to the vehicle a traffic citation instructing the operator to answer to the charge against him or pay the penalty imposed within five days during the hours and at a place specified in the citation.

6.310 Failure to Comply With Traffic Citation Attached to Parked Vehicle. If the operator does not respond to a traffic citation affixed to a vehicle within a period of five days, the municipal judge shall send to the owner of the vehicle to which

the traffic citation was affixed a letter informing the owner of the violation and warning him that in the event that the letter is disregarded for a period of five days, a warrant for the arrest of the owner will be issued.

6.315 Responsibility for Parking Citations.

- (1) The legal owner, as shown on the records of the Motor Vehicles Division at the time of a violation of the laws governing parking a motor vehicle, is responsible for payment of all parking citations issued for the violation; or
- (2) If a transfer of title to a new owner has occurred and the transfer has not been recorded with the Motor Vehicles Division, the new owner is responsible for payment of a parking violation. The name and address of the new owner is to be supplied in writing to the Astoria Police Department by the record owner or owners.

6.320 Registered Owner Presumption. In a prosecution of a vehicle owner charging a violation of a restriction on parking, proof that the vehicle at the time of the violation was registered to the defendant shall constitute a presumption that the defendant was then the owner in fact.

ASTORIA DOWNTOWN PARKING DISTRICT

6.350 Purpose. The purpose of Sections 6.355 to 6.370 is to establish a Parking District in the downtown core area in which business owners, employees, students and residents in the Parking Area are prohibited from parking within the District during Saturdays and weekday working hours, in order to manage on-street parking more efficiently, make parking available for customers, clients and other visitors and to preserve the core area as a viable business and service district.

6.355 Definitions.
