

Astor West URA Open House
July 28, 2016

The City of Astoria is conducting a study to expand the Astor West Urban Renewal Area (AWURA). Please join us to share your input about potential projects.

The potential expansion may include section of Bond Street that would fund the reopening of the street to two way traffic. In addition, the City could potentially assist residential property owners with making improvements to revitalize the neighborhood and preserve affordable housing.

You are invited to attend an **Open House | July 28, 2016 | 5-7 pm @ Astoria Warrenton Chamber of Commerce | 111 West Marine Drive | Uniontown**

Why should you attend this open house?

- Learn more about the slide area above Bond Street and the types of street improvements that are planned
- Come meet your neighbors and share your concerns about the proposed boundary
- Find out about potential funding opportunities to fix up your property
- Ask city staff about other potential projects in the Uniontown area
