**ASTORIA TRAFFIC SAFETY ADVISORY COMMITTEE**

**Astoria City Hall**

October 25, 2016

CALL TO ORDER:

President Pearson called the meeting to order at 6:32 pm.

ROLL CALL:

Commissioners Present: President David Pearson, McLaren Innes, Daryl Moore, Jan Mitchell and Frank Spence

Commissioners Excused: Vice President Kent Easom and Sean Fitzpatrick

Staff Present: Community Development Director Kevin Cronin, Planner Nancy Ferber, and Police Sergeant Brian Aydt. The meeting is recorded and will be transcribed by ABC Transcription Services, Inc.

APPROVAL OF MINUTES:

Commissioner Innes moved that the Traffic Safety Committee approve the minutes of July 26, 2016, as presented, seconded by Commissioner Moore. Motion passed unanimously.

NEW BUSINESS:

**Item 4(a): Crosswalk Enforcement**

Sergeant Aydt reported that the grant funded crosswalk enforcement events over the summer were successful and the Police Department plans to conduct the events next year when the traffic is not so heavy.

**Item 4(b): Moveable Radar Reader Board**

Sergeant Aydt said the reader board has been placed in several areas of the city. He asked that citizens let the Police Department know if they would like the board placed in a specific location. He had not yet received the data on speeds at most recent reader board locations, but he reviewed data taken at 20<sup>th</sup> and Irving, which indicated most drivers are going 25 to 30 miles per hour in that area.

Director Cronin added that the reader board would be deployed on Bond Street as part of the Bond Street Project.

REPORTS OF OFFICERS/COMMISSIONERS: There were none.

PUBLIC COMMENT: There were none.

ADJOURNMENT:

There being no further business, the meeting was adjourned to convene the Planning Commission Meeting at 6:36 pm.

**APPROVED:**
